

SOUTH CAROLINA PUBLIC SERVICE COMMISSION

STANDING HEARING OFFICER DIRECTIVE

DOCKET NO. 2018-2-E ORDER NO. 2018-34-H

MARCH 26, 2018

Standing Hearing Officer: David Butler

DOCKET DESCRIPTION:

Annual Review of Base Rates for Fuel Costs for South Carolina Electric & Gas Company

MATTER UNDER CONSIDERATION:

Request of Counsel for the South Carolina Solar Business Alliance, LLC and Southern Current, LLC for Permission to E-file Testimony and a Motion One Day After the Testimony Due Date *Nunc Pro Tunc*

STANDING HEARING OFFICER'S ACTION:

Counsel for the South Carolina Solar Business Alliance, LLC and Southern Current, LLC has requested permission to e-file testimony (and to file a Motion) one business day after the required e-filing date, due to difficulties with counsel's law firm's and his administrative assistant's personal internet service, which apparently prevented Counsel from so e-filing. Commission Order No. 2018-178 formerly gave counsel a one-day extension to e-file from March 22, 2018 to March 23, 2018. Counsel now requests permission to e-file today *nunc pro tunc* the testimony that he attempted to e-file on March 23, 2018, plus a Motion. It appears that counsel for other parties were served on the March 23, 2018 due date, so there is no prejudice to the parties. Accordingly, due to the great internet difficulties faced by counsel, due to the fact that the parties were served with the testimony in a timely manner, and due to a lack of objections, permission is granted to e-file the testimony and exhibits, and the Motion, with an effective date of March 23, 2018. The parties may respond appropriately to the Motion (and the Testimony and Exhibits), if appropriate.
